

## Letter of Recommendation

To Whom It May Concern,

I am writing to express my strong recommendation for Naasir Bush. Since I started working at 2Barrels, Naasir has been an incredible inspiration and a true role model. He leads by example, always demonstrating a willingness to help others and consistently maintaining a positive and professional attitude.

Naasir exemplifies the qualities of an exceptional leader. His ability to balance the demands of work, family, and his pursuit of a masters degree is nothing short of inspiring. His determination and dedication have encouraged me to begin my own journey toward earning a degree - a goal he has supported with thoughtful guidance and consistent encouragement.

Naasirs leadership, mentorship, and work ethic set a standard I aspire to follow. I am confident that he will continue to excel and positively influence everyone around him.

Sincerely,

Camilo Espinosa
